

### Digital Storytelling Presentation Rubric – 5th Grade

Category	4 – Excellent	3 – Good	2 – Developing	1 – Needs Improvement
Storytelling	The story is clear, creative, and interesting. It has a strong beginning, middle, and end.	The story is clear and makes sense, but may lack some creativity or detail.	The story is missing some parts or hard to follow.	The story is confusing or incomplete.
Digital Tools	Digital tools (images, audio, video, etc.) are used effectively and enhance the story.	Most tools help tell the story and are used appropriately.	Some tools are used, but may not match the story well.	Few or no tools are used, or they distract from the story.
Understanding of Topic	Shows excellent understanding of digital storytelling and its purpose.	Shows good understanding with a few small mistakes.	Shows some understanding, but has a few misunderstandings.	Shows little understanding of digital storytelling.
Creativity & Effort	Very creative, with clear effort and original ideas.	Creative and shows good effort.	Some creative parts; effort could be stronger.	Not very creative; little effort shown.
Presentation Skills	Speaks clearly, makes eye contact, and keeps the audience interested.	Mostly clear speaking and good engagement.	Sometimes hard to hear or follow.	Hard to understand or not engaging.
Organization & Timing	Presentation is well-organized and stays within time limit.	Mostly organized; close to time limit.	Somewhat organized, may be too short or too long.	Disorganized or far off the time limit.

#### Scoring:

- 24–21 points: Wow! You’re a Digital Storytelling Expert! 🌟
- 20–16 points: Great Job! You understand the basics well. 👍
- 15–10 points: Keep practicing! You’re on your way. 🛠️

- Below 10 points: Let's review together and try again! 🧠
